## Test Version 2

You must answer question 1. For question 2, you can choose between question 2a or 2b.
Question 1:
In "The Birthmark" and "The Monkey Garden," the narrators each fail in some way. Compare the narrators and the way in which they failed. How are their failures similar? Use examples and evidence from the stories to support your ideas.

## Choose 1:

Question 2a:
In "The Birthmark," do you think that the husband in the story would have married his wife even if she had never had plastic surgery to remove the birthmark? Why do you think so? What evidence from the story supports your idea?

Question 2b:
In "The Monkey Garden," why does the narrator of the story get angry when Sally starts to kiss the boys? What evidence from the story supports your idea?
